

Installed Offshore Wind Capacity

Netherlands · year-end GW AC (Birdview Central scenario)

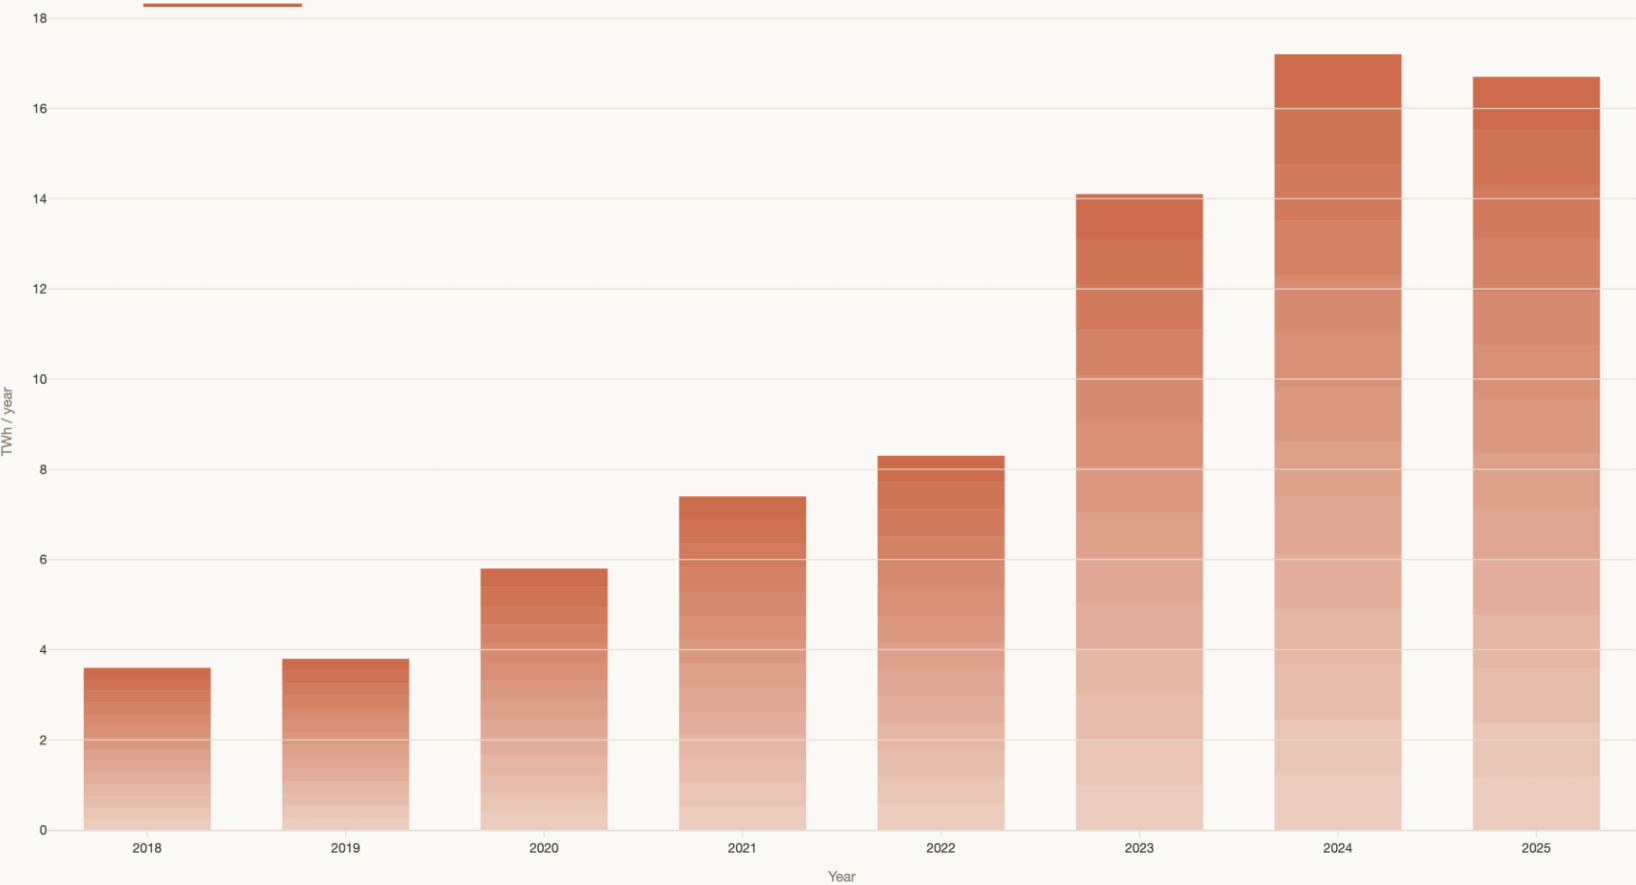

WIND OFFSHORE · NL · Day-Ahead market analysis

Offshore Wind Energy Produced

Annual generation in TWh · complete years only · NED.nl

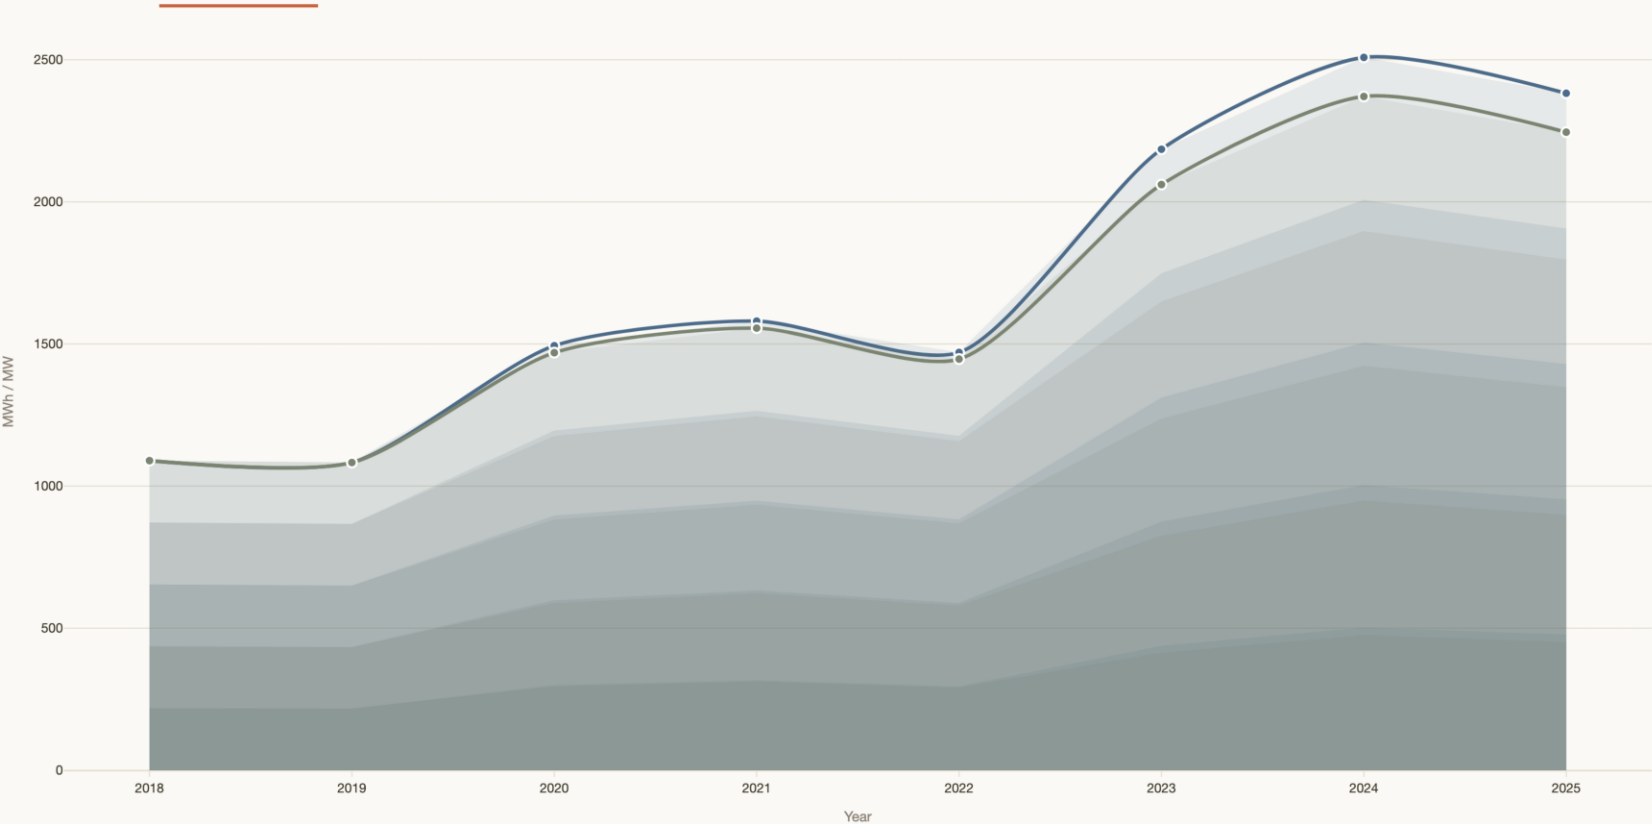

WIND OFFSHORE · NL · Day-Ahead market analysis

Specific Yield

MWh produced per MW installed · with & without negative-price hours

WIND OFFSHORE · NL · Day-Ahead market analysis

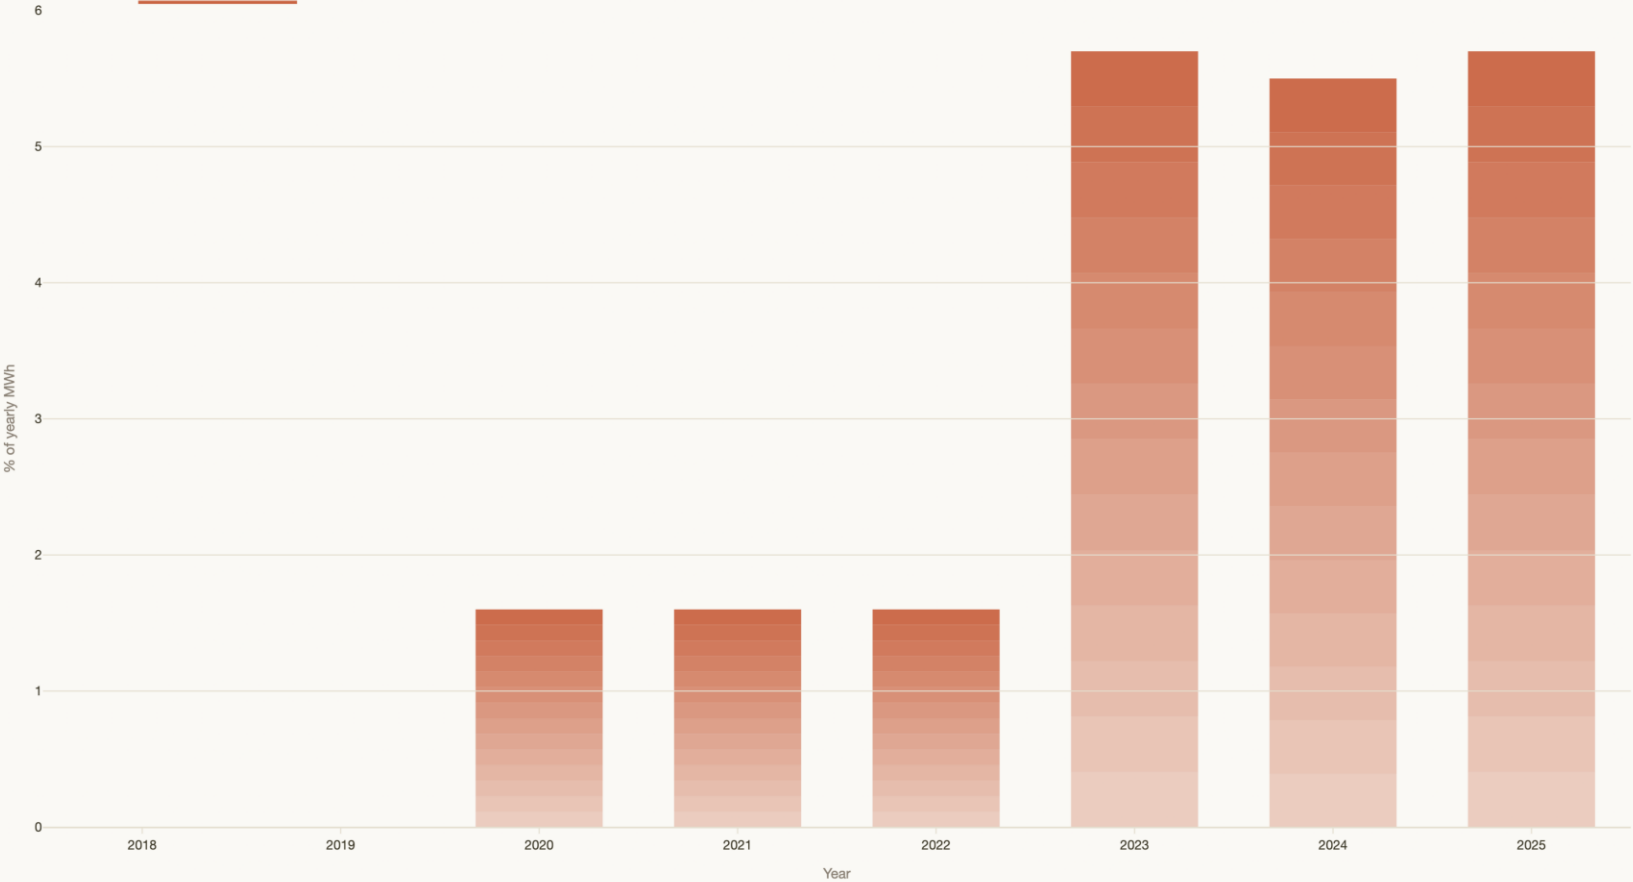

Source: NED.nl (generation) · EPEX/ENTSO-E (Day-Ahead prices) | 2026-05-14

—●— incl. neg-price hours —●— excl. neg-price hours

Curtailment Share

Share of wind MWh produced during DA < 0 €/MWh hours

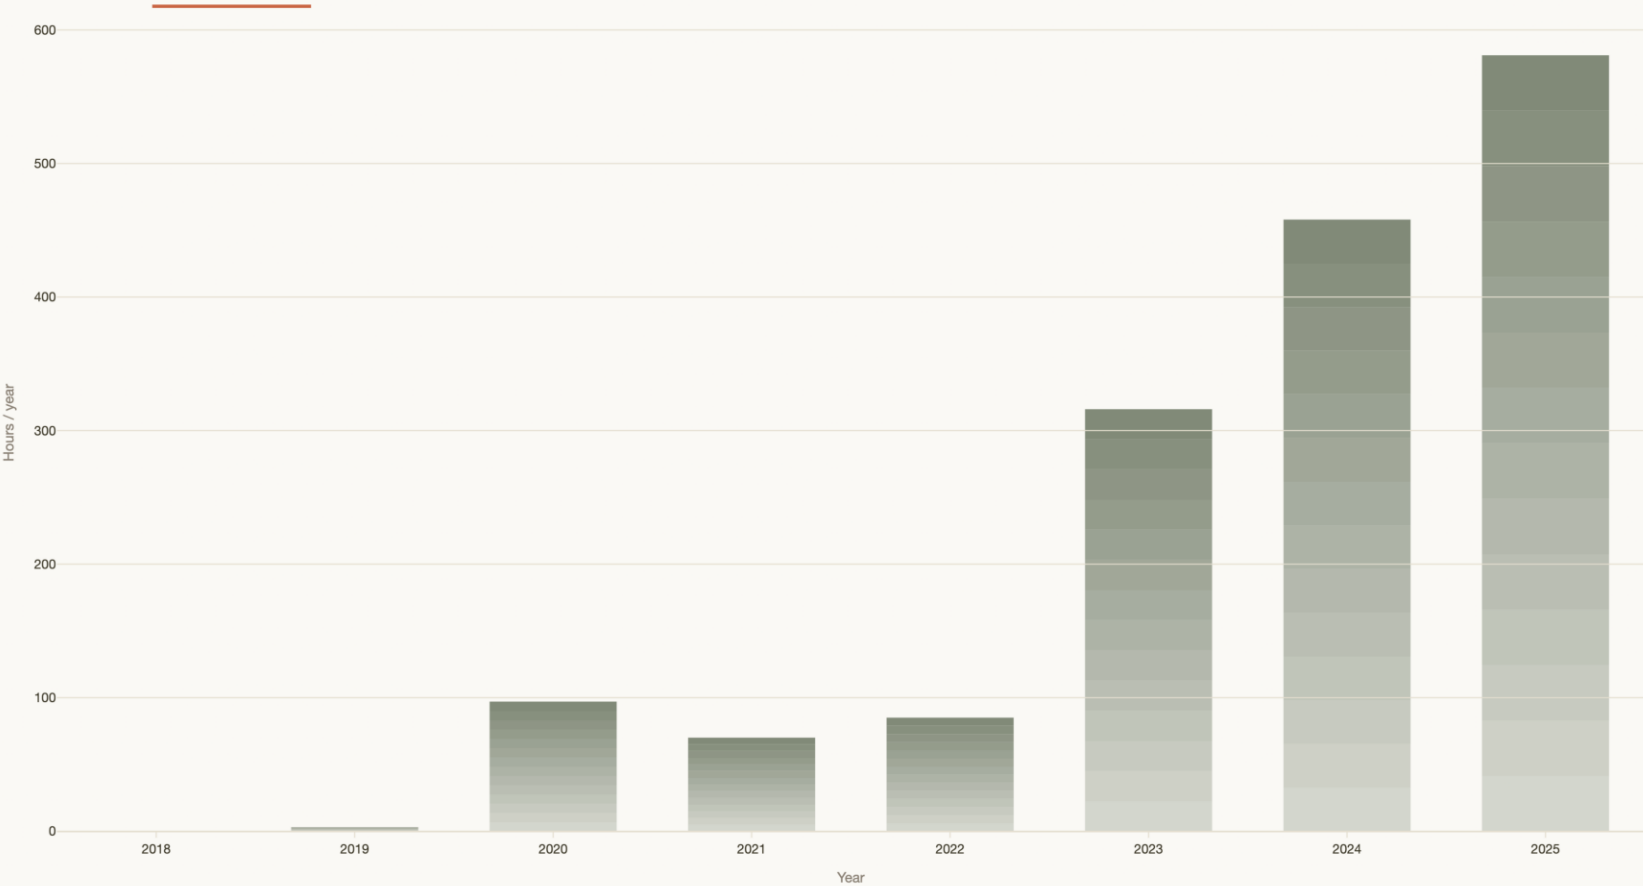

WIND OFFSHORE - NL · Day-Ahead market analysis

Negative-Price Hours

Hours per year with Day-Ahead price < 0 €/MWh

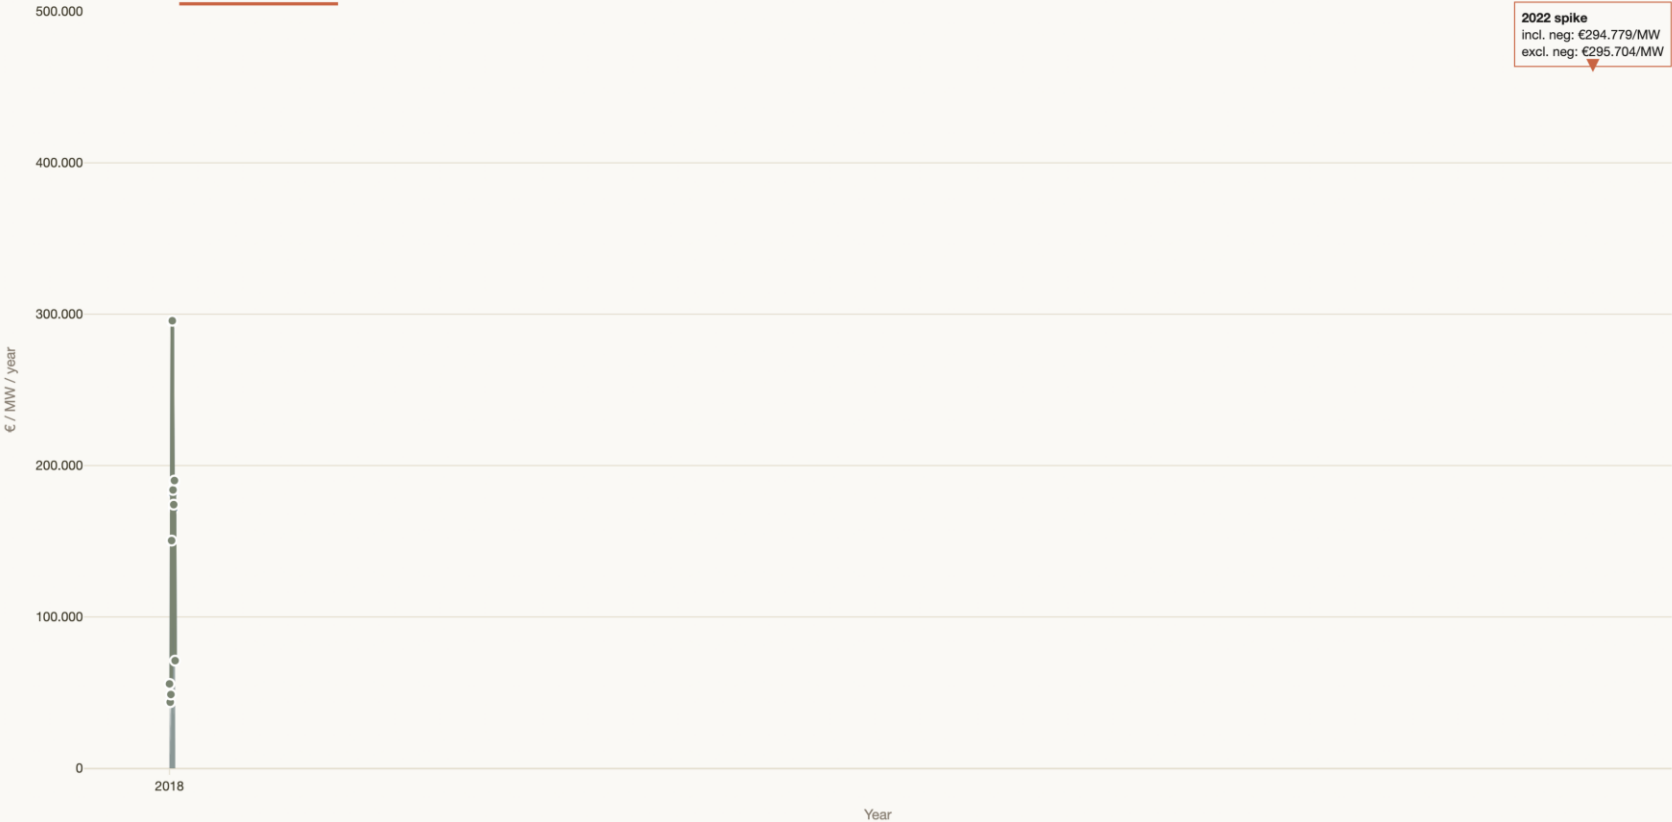

WIND OFFSHORE · NL · Day-Ahead market analysis

Annual Market Value per MW

Revenue per installed MW AC · with & without neg-price hours

WIND OFFSHORE · NL · Day-Ahead market analysis
